Urban Health Partnerships (UHP)

Activate Overtown:
UHP’ & the Overtown Community Liaisons have put together a resource guide during COVID-19 in order to connect Overtown residents with the resources for accessing food, COVID-19 testing, transportation, parks and public spaces, financial assistance, health, legal services, and unemployment. Access the resource guide and learn more about Activate Overtown here: https://urbanhp.org/activate-overtown

In addition, UHP is continuing to advocate for solutions that improve the ability for residents to walk and bike in Overtown safely while observing physical distancing measures. One of these advocacy examples include advocating for the expansion of sidewalks in order to create more space for walking and biking.

If you would like to get involved and support in this advocacy, please reach out to UHP below:

Census:
Filling out the Census is essential to making sure your community gets funding for:
- School expansion and locations
- Social Services - WIC, Section 8 Vouchers, etc.
- Real estate development planning - including public housing
- Safety and emergency preparedness expansion
- Healthcare access
- House of Representative seats

Please note that the Census will never ask your citizenship status and you should answer regardless of your citizenship status. Your answers cannot be used against you by any law enforcement agency. Completing the Census is mandatory, please fill out the online survey to avoid a Census representative knocking on your door. To complete the Census, please click here: https://my2020census.gov/.
If you need assistance completing the Census, please reach out to Jesse Cosme, at Jesse@urbanhp.org, (786) 224-2309.
