

ABOUT US

UHP was founded in 2011 with the vision that real, sustainable change could only occur through long-term investment, community-driven approaches, and a commitment to health equity. Since then, we have been a leader in community-based health equity initiatives throughout southeast Florida, promoting action through partnerships and grassroots empowerment strategies. Our multidisciplinary team brings a unique lens to fulfill our mission to improve community health by integrating our passion and expertise in public and mental health, engineering and transportation, and community development.

OUR MISSION

To invest in communities by co-designing sustainable change and promoting equity and well-being across the life span.

“

UHP es una organización sin fines de lucro que me enseñó a amar cada día más el lugar en el que vivo me ayudo a sentirme parte de él aún siendo inmigrante a entender el por qué es importante vivir en una comunidad sana y el porque debemos abogar como residentes por una comunidad más justa y equitativa. El equipo de UHP es increíble me dieron la oportunidad de reinventarme en este país haciendo que creciera en mi ser un buen líder comunitario haciendo el bien sin mirar a quien.
